Our Mission focus for **January** is missionary support for Zambia (Betty Tshala). Betty Tshala serves in the nutrition program of the Mujila Falls Agricultural Project in the Northwestern Province of Mwinilunga, Zambia. With a degree in nursing administration, she has long taught about the overlooked treasures in the local diet, such as the Moringa tree, recently recognized by the international community as a “superfood.” Betty’s husband, Tshala Mwengo, was also a missionary supported from our Conference. He died in a bus accident in 2014 while returning from the market.
