Call to Worship (Call & Response)

Leader: Tell the whole congregation that this is a day of new beginnings.

People: This is a time of God’s appearing and our faithful response.

Leader: This is the hour to wake from sleep and receive the energy of God’s presence.

People: We come to proclaim our identity as Christians and to do God’s will more fully.

Union Prayer

Glorious and loving God, we come remembering your faithfulness throughout all the centuries. As we look at the fields around us, we realize that another season is opening before us. Once again, we celebrate your promise that seedtime and harvest will not fail. We are amazed at the abundance you provide here in our midst. Help us to be humbly grateful and give you praise and honor. We come praising your name and committing ourselves anew to your kingdom. We lift this prayer in the name of Jesus whose abundant love overflows all our efforts. AMEN

May the light of your love shine through all that we do. May these offerings help others to know your love and live according to your will.
